Your council meets the first Thursday of the month except for January and August, starting at 7pm in the Parish Hall in Dalton-le-Dale. Residents of the parish are welcome to attend to raise any matters or speak on issues that concern them or the parish. Where possible, your local Councillors and Clerk will endeavour to have such matters resolved.

Neighbourhood watch scheme.

Your local parish council is interested in supporting local residents to set up such a scheme if there is enough interest.

Road Watch Training for Volunteers.

Several members and residents have received training from the local constabulary in the road watch scheme. This has provided them with the ability to use speed guns to measure the speed of traffic. Information from the volunteers efforts will be forwarded to the local police to help curb speeding traffic in the parish.

Funding for local groups.

Dalton-le-Dale parish council wishes to support local community groups and organisations working for the benefit of its residents by means of financial support. If your group needs funds to help deliver a local project please forward information to the Clerk.

Parish Plan. Your local parish is keen to develop the parish to suit its parishioners. If you have any suggestions, ideas or issues that need addressing your local council would like to hear from you. Please forward all matters to the Clerk and they will be considered and evaluated when the council meets. Your local input is vital in helping your local councillors to plan for the community.

Your Parish Clerk is Geoff Price

The Village Green

Don't get caught out this winter. Make sure your local salt bin is replenished. Call Durham County Council's Highways Action Line **0191 370600** when it needs topping up!

Don't forget, all the council's public documents and minutes can be found on our website. The parish notice boards are also for public information and can be used by local community/groups to advertise events and activities in the parish.

Last of all, have a merry Christmas
